## Becoming a Sustainer: Frequently Asked Questions

### **How Does the Sustainer Program Work?**

The sustainer program is a system where your monthly donation to Sister Cities is automatically debited from your checking or savings account.

### **Why is it so beneficial to become a sustainer?**

Becoming a sustainer makes giving easier for both you and the Sister Cities network. It lowers Sister Cities administration costs by receiving donations automatically, and provides a reliable stream of contributions throughout the year.

### **Can I withdraw from the sustainer program if I decide I do not like it?**

Yes, you can cancel your contribution at any time by sending us written notice.
